

IMPORTANT EMERGENCY REMINDERS

EVERY SECOND COUNTS

CALL 911 FIRST – ALWAYS

THEN CALL:
480-437-9191

WHY THIS MATTERS:

THVFD volunteers may arrive sooner while waiting for Rural Metro response

MEDICAL EMERGENCY

At home, on the road,
or anywhere

CALL 911 FIRST

Get help on the way
immediately

GIVE YOUR LOCATION

The more detail you
provide, the faster help
can find you

FOLLOW DISPATCH INSTRUCTIONS

Stay on the line and
follow their guidance

STAY CALM

Your information helps
responders arrive sooner
and prepared

**PREPARE TODAY
FOR A SAFER TOMORROW
BE READY. BE SAFE.**

FIRE OR SMOKE

At home or
in the community

CALL 911 FIRST

Report the fire or smoke
immediately

GIVE YOUR LOCATION

Include cross streets,
landmarks, and any
nearby hazards

EVACUATE IF NEEDED

If advised or if you
feel unsafe, leave
immediately

KEEP OTHERS SAFE

Warn neighbors and
check on those who
may need help

**EARLY REPORTING
CAN SAVE LIVES
SEE IT. REPORT IT.**

MEDICAL PREPAREDNESS

Keep a current list of
important medical information

KEEP YOUR LIST UPDATED WITH:

Name of medication

Include all prescriptions,
over-the-counter medications,
and supplements

Dosage

List the correct amount
for each medication

How often it is taken

Include times or frequency
(for example, once daily)

Known allergies

List all medication,
food, and other allergies

**SHARE YOUR LIST
WITH FAMILY OR CAREGIVERS
IT COULD SAVE A LIFE**

COMMUNITY ★ PREPARED ★ FIREWISE

Stronger Together ★ Safer Together
