

ACC Meeting

September 14, 2011

5:30 p.m. - 7 p.m.

Members present:

-Mike Rockwell

-Steve Rensel

-Rick Patterson

-Kirk Landauer

Absent: Robert Kroger

Mark Laliberte

THIA Liaison: Tom Caglioti

Mike Rockwell called the meeting to order at 5:30.

Mr. Rockwell proposed a full study to determine a streamlined, efficient approach to the ACC approval process.

Possible procedural changes were discussed, including requiring an in-person, preliminary meeting regarding potential projects/new construction before the plans are actually submitted for approval.

Mr. Patterson opened a discussion regarding electronic storage of project plans, etc., involving a drop box file so all ACC members can review individual projects. This would be password-secured, available only to ACC and THIA Board members and other pertinent parties.

Projects discussed included:

1. Lot 180- RV storage

2. Lot 117- new home build

Meeting adjourned at 7:00pm.
