Good morning,

This email is to serve as a formal complaint regarding the mess created on lot 230A and lack of clean-up of the pile of tinder dry plant debris left thereon. It is an unsightly introduction to Tonto Hills. To my knowledge, there was no grading permit obtained. The Board should pursue a resolution.

Thank you for your attention.

Tara Laman, Lot 108

Michael.
Shall I add to the 2/16 agenda?
let me know,
Diana
