Dear Mr. Wilcox,

The Tonto Hills Improvement Association Board meeting was held on June 15, 2022. At this meeting, the Road Paving Project Committee presented the two slides from MCDOT to the Board and the community, showing the current design and the proposed design from the May 16, 2022 meeting. The Committee recommended to the Board accepting the proposed design. A motion to that effect was made, and the motion passed unanimously.

Please accept this letter as confirmation of the THIA approval to proceed with the proposed design.

Regards,

Nancy W Nelson
Vice-President
