*Dear Fellow Residents and Dog Owners,*

*We are so fortunate to live in this beautiful place. We all enjoy the freedom and quiet of Tonto Hills. We appreciate the sunrises and sunsets, the lack of traffic and our quiet evenings on the patio. If you're a dog or animal lover, as most residents are, we would like to ask a favor. We realize we live in the desert on dirt roads, but would like to ask everyone out for a walk with their pets, to please pick up their pet's waste. We know there are times you forget a bag or walk around your loop and don't get back to the spot where you left the bag, but please put in the extra effort to pick up the bags. There is a collection station with bags at the corner of Blue Wash and Old Mine Road, so please feel free to deposit waste there.*

*Please be a good Tonto Hills neighbor by leaving the poop on the roads to the coyotes and the deer, and not adding our dogs' waste to the mix.*

*Thank you,*

*Your Friends and Neighbors on the  
Tonto Hills Board of Directors*
