X						Small company.
X			X			Easiest to work with, no contract, cheapest.
X			X	X		Left WM because fees doubled in 10 years.
		X	X	X		WM keeps raising prices. Open to change and reducing traffic.
		X	X	X		Newer trucks, better serviced.
		X	X	X		Open to change for better price.
		X				Service is fine.
	X		X	X		Schedule is an issue – best for Friday pickup.
		X	X			Satisfied with service, like the idea of one company and would change to achieve it.
	X		X			No complaints, good idea for one company to serve the neighborhood.
X			X	X		Pricing and service are good, independently owned by a family who gives back to the community.
		X	X	X		Recycling is important.
X			X	X		Had WM, felt ripped off, refuse to do business with them.
X			X	X		Area was lowest cost, driver usually slows down even when resident is not on the street.
X			X	X		Switched from WM because of price.

		X	X	X		Wednesday morning pickup is important.
	X		X			Would like recycling, but Republic does not provide.
		X	X	X	X	Satisfied with service.
X			X			Cost is major factor, WM “sucks”.
		X	X	X		A little expensive, do an ok job.

		X	X	X		Collection done on same day.
	X		X			Satisfied with price and service.
	X		X	X		Happy with service, but drive too fast in the neighborhood.
		X	X	X		Appreciate a competitive price and reducing the number of servicers.
X			X	X		Only issue is that pickup is handled on two separate days.
	X		X	X		Recycling should be required and included.
		X	X	X		Pricy, would appreciate fewer weekly trash pickups.

		X	X	X		Changed from Republic recently, would change for better price. WM has speeding problem.
		X	X		X	Senior discount
		X	X	X		Senior discount
X			X	X		I think they are the most prudent with reference to speed limit and considerate with morning resident foot traffic
		X	X	X		Happy with their service & their website. Great company, but we do feel that they are too expensive. Really hope that the development can find 1 company to service the community that would be at a reasonable price.
		X	X	X		So far, OK.
		X			X	2-yard dumpster. We have used Waste Management for the last 16 years and are happy with their service. Any new company would have to be able to provide dumpster service at comparable rates.
